SECRET/NO FOREIGN DISSEM

February 23, 1973

Dear Ray:

My apologies for not having acknowledged earlier your letter of January 3, forwarding the Cyprus General Survey published under the interagency National Intelligence Survey Program. I think it is a fine job, and though you might imagine that I would be jaded with Cyprus, I find much of it interesting as well as informative.

Every good wish,

Sincerely yours,

  
David H. Popper
